Steps to protect you and your family

- 1) Activate & Register** your digital assets on the VodaSure AlertPlus pay app.
- 2) Monitor** for threats against your digital assets in the digital world in real time.
- 3) Alert** you immediately of potential threats to your data and digital assets.
- 4) Prevent fraud** and enhance your digital threat awareness by processing relevant alerts and following personalised threat avoidance guidelines to prevent potential fraud.
- 5) Claim** on insurance for any personal online fraud losses or damages.
